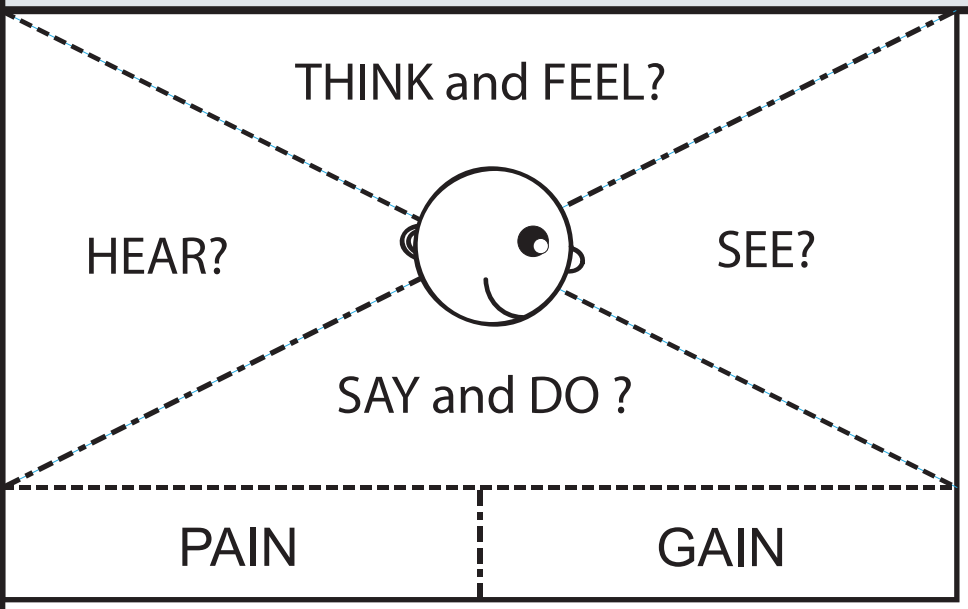
Empathy Map



1. What do

- What does her environment look like?
- Who surrounds her?
- Who are her friends?
- What types of offers is she exposed to?
- What problems does she encounter?
- What does her friends/spouse say?
- Who really influences her and how?
- Which media channels are influential?

3. What does she really think and feel?

- What is really important to her? *(which she might not say publicly)*
- Imagine her emotions. What moves her?
- What might keep her up at night?
- Try describing her dreams and aspirations.

4. What does she say and do?

- What is her attitude?
- What could she be telling others?
- *Pay particular attention to potential conflicts between what a customer might say and what she may truly think and feel.*

5. What is her pain?

- What are her fears?
- What are her frustrations?
- What obstacles are stopping her?

6. What does she hope to gain?

- What does she truly want or need to achieve?
- How does she measure success?
- Think of some strategies she might use to achieve her goals.
